How to be a Good Citizen

Hello. My name is James. In my opinion, to be a good citizen, you need to look after your environment. This sounds boring, but it can be enjoyable. Picking up rubbish in the park can be fun if you do it with your friends. Cleaning graffiti off walls is also something you can do with your friends. Another thing you can do to protect the environment is to recycle your drink cans and your plastic bottles. It's easy to forget and throw them away. Finally, I think we need to be good neighbours. Always be nice and smile at your neighbours when you see them. If you have elderly neighbours you can offer to help them out with their household chores.

HOW TO BE A GOOD CITIZEN

Hi, I'm Haley. In my view, we can all be good citizens. It's not very difficult. One thing we can all do is learn about the world we live in by reading the newspapers and listening to the radio. We need to learn about other people's religions and beliefs so we can respect them. We also need to be aware of the problems people face in other countries. We need to help people who are affected by earthquakes and other natural disasters. For example, we can raise money for them. You can do this by making and selling cakes or biscuits or even selling some of your own possessions which you no longer need. Good citizens make the world a better place and being a good citizen makes us feel better about ourselves.

FASE DE EVALUACIÓN

ACTIVIDAD A EVALUAR:

María, a journalist for El Barrio newspaper, is still missing seven days after she mysteriously disappeared. María disappeared from her home last Thursday, the day after one of her news stories appeared in El Barrio. It seems that someone broke into her flat that evening and kidnapped her. Police think that she is being held against her will. Her family have not heard from her since last Wednesday afternoon, and are very frightened for her safety. It is estimated that at least nine journalists are abducted every year. Some are later freed, but many aren't found.

My name is Khaliif and I live in Somalia. I have a brother and a sister. There is a small school in my town, but I don't go there. I live in a small hut with my father and my mother. In the morning I make porridge for my brother, who is five, and my sister who is ten. Then my brother is looked after by my sister while I go to work. She isn't given any help by my mother or father as they have to look after the animals. I work as a shoe shiner. I need to work to help my family, but I want to go to school. I know life will be better if I can get an education.

I'm Ben. I lost my job and couldn't afford to pay the rent for my flat so I had to move out. Now I have nowhere to go. I sleep on the streets or in the park. I try to find other homeless people to sleep with because it is less dangerous. Sometimes we are shouted at by passers-by, but some people are kind and bring us clothes and blankets.
