4. How much is the shirt?
 - a. Seventeen thousand pesos
 - b. Eight thousand pesos
 - c. Twenty-three thousand pesos

Activity 2

Lee el correo electrónico. Selecciona la respuesta correcta.
Choose the correct answer.

Hi!

My name is Hamza. I am ten years old. I am from Morocco but I live in Seville. I live in a small house with my parents and my sister Hakima. She is six years old. My mother is a doctor and my father is a teacher. I like sports very much. I like computer games, too. My favourite sports are cycling and basketball. Do you like sports?

I go to school every day. My favourite subjects are Maths and P.E. (Physical Education).

On Saturdays I go to the cinema and on Sundays I play basketball with my friends Manuel and Zyneb.

Write soon,

Hamza

Responda las siguientes preguntas

Activity 3

Read the description of a Colombian engineer who works at an important space agency and complete the ideas below.

Diana is a Colombian aerospace engineer who leads a mission at an important space agency in the United States. Diana was born in Cali and migrated to the United States when she was 17 years old. She studied English there, and continued her studies in engineering while doing different jobs to support herself. She applied to be part of a space program and became the first immigrant Hispanic woman in it. Her life story was turned into a science book for kids. She has been part of initiatives to inspire young people from Latin America to pursue a career in science and engineering.

1. Diana was born in_____.
2. She learned to speak_____.
3. She attended university to study_____.
4. Her story became a book for_____.
5. She would like to inspire young people to pursue a career in _____ and engineering.
